In this 2010 version of its website, Edmonton-based Daybreak Painting openly supports IRFAN-Canada, Hamas' fund collector in Canada. Issam Saleh is identified as one of the company's founders in the first line of the text. The endorsement of Hamas can be seen at the end of the company's webpage.

After IRFAN's role as Hamas's fund collector was exposed, Issam Saleh's company chose to remove any allusion to its support for IRFAN.
