Internal Affairs: Mustafa Khan

//

Dua Dahrouj (President)
**Double Major in Psychology
 and Family Studies
 (BA. Human Ecology)**

I hope to continue applying my academic and co-curricular experiences in future endeavours in order to better myself, my local community, and the global community. There is a Hadith that states, "If anyone fulfils his brother's needs, Allah (our Lord) will fulfill his needs; if one relieves a Muslim of his troubles, Allah will relieve his troubles on the Day of Resurrection (Al Bukhari and Muslim). God Willing, the time I invest in the growth of this association has the capacity to assist another individual for the better, is what inspires me the most!

Sumayya Tobah (VP Sisters)
**Double Major in Political
 Science and English Literature**

Law School or a Masters in Journalism
 If one word that leaves my lips can help one person do one good thing that moves them closer to Allah Subhana Wa Ta'ala, then not only have I succeeded, but I did for that person what so many have done for me. My inspiration comes from people older than myself, my age and younger who strive for perfection in every aspect of their lives, but especially their faith. That kind of impact is everlasting.

Amir Hage (VP Brothers)
**Honours specialization
 in History**

Law school
 What inspired me to run for MSA was I wanted more responsibility and to give back to the community and the Muslims. And help make a change and just help people.

Western MSA

Introducing the MSA Executives for 2012-2013

Nader Hallak (Treasurer)
**BMOS Honors Spec.
 in Commercial Aviation
 Management**

My future plans inshallah are to study in Madinah, work as a teacher/pilot or start my own business. The reason I ran for MSA was because I wanted to serve the Muslim community and extract the fruitful young leaders we have around us to become more active. I also wanted to serve the non-Muslim community through a stronger presence of Da'wah on campus. Overall, I hope this is a humbling experience to better myself for the sake of Allah.

Aya Algeriany (Treasurer)
**Honour Specialization in
 Nutrition & Dietetics**

*Internship or Combined
 Masters/Internship in Dietetics to
 become a Dietitian InshAllah*
 What inspired me to run for an executive position is my passion towards serving my community for the Sake of Allah Subhanahu wa Ta'ala, to help me and people around me build up and expand upon our Islamic knowledge and to connect with other Muslims in London of different ethnic background.

Mission Statement: The Muslim Students' Association (MSA) is one of the largest clubs on campus at Western University Canada. Western MSA strives to provide an Islamic environment conducive to creativity, leadership, excellence and professionalism that empowers students to reach their potential: physically, emotionally, socially, mentally and spiritually.

—Compiled by Sumayya Tobah

Marwa Elkelani
 (External Affairs)
**Honours Specialization
 Nutrition and Dietetics**

I hope to pursue graduate studies in Speech and Language Pathology insha'Allah. What inspired me to run for the position was the need I felt to help improve the dawah and islamic education offered on campus as well as have the opportunity to personal and professional development.

Luna Shaker (Secretary)
**Honors Specialization in
 Psychology and Certificate
 in Practical French**

Work in the field of Neurosciences
 The inspiration that drove me to join the MSA is that I see the MSA as something on the verge and I wanted to not only be a part of something this big but do as much as I can to help make it even greater than it already is. InshAllah through this position I hope to fulfill the drive of strengthening the MSA as well I hope to strengthen myself as a person and my deen.

Mustafa Khan
 (Internal Affairs)
**Honours Specialization in
 Urban Development**

*Graduate school (either MBA
 or a specialization)*
 My inspiration to run for MSA exec was from the desire to be more actively involved in helping the muslims on campus to grow, along with myself. I felt that this role would help develop me as a person, while also contributing positively to those around me.
